

# Halloween Ghost

(Sing to the tune of 'I'm a Little Teapot'.)

I'm a Halloween ghost,  
I see you!  
Floating around,  
As I like to do.  
Float up to the ceiling,  
Saying "Wooooo",  
Turn around and then I shout "BOO!"

I'm a Halloween ghost,  
Behind you!  
I'm rather pale,  
And quite see-through.  
When I try to scare you,  
I'll say "Woooooo",  
"Make you jump up, when I shout "BOO!"
