

Dear Parents/Carers,

We are looking forward to welcoming children in Nursery, Reception, Year 1, Year 6 and our Key worker children back to school on Tuesday 2<sup>nd</sup> June.

As I am sure you will appreciate, due to the social distancing measures which we are being asked to put in place, it has been important to know how many children will be returning so that the staff can ensure that individual resources and workspaces are prepared.

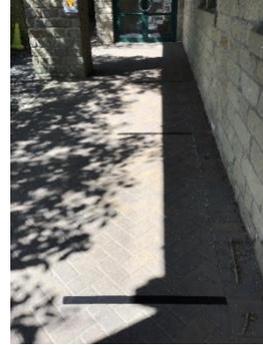

The current timetable we are offering is as follows:

Playtimes will be timetabled to ensure that no other groups meet. Games that encourage distancing and little touch need to be made available to the children. However, each group will have resources from their classrooms or the PE cupboard so that they have dedicated outdoor equipment that is taken out and used exclusively by them. This will then be gathered back in at the end of their break/ lunch time.

We ask that where possible, for you to walk to school and only one parent/carer will be permitted on the school grounds. Parents of Nursery/Reception/Y6 are to walk down the path and line up at the side gate 2 metres apart. (There will be floor markings to guide you).

You will be met by your class teacher and then the children will be instructed to leave their parents/carers and go into their classroom. The Nursery/Reception parents will be able to go around the back of the building to line up but will need to hand over their child at the entrance to the EYFS outdoor area.

Y1 children will line up at the side of the main building and will be greeted by their teacher.

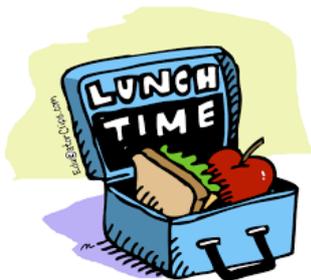

Adults and children are to wash their hands on entry to school, before break time, after break, before lunch, after lunch, before leaving school, and anytime that they visit the toilet or cough/sneeze in to their hands. Hand sanitisers will be made available in classrooms. Temperature checks will be carried out by staff.

Children will be allowed to go to the toilet as they would do in a normal school day. Each group will be allocated their own toilet space and staff will organise that they go one at a time. They will ensure that children wash their hands afterwards.

Children in N/R will use the toilets on the left and children in the Y1/KW group will use the toilets on the right. The Y6 group will use the toilet in the Garden Room.

Everyone in school will be having a packed lunch.

Staff have worked hard to ensure that the classrooms allow for social distancing where possible; desks spaced two meters apart; each child allocated their own chair and classroom resources. We will make sure the rooms are well ventilated and will plan for timetabled outdoor activities. All soft furnishings have been removed as have toys and equipment which are difficult to clean. All surfaces have been cleared to help with cleaning surfaces.

### What children will need to bring back to school

- The resource packs they have been using at home. These will now be kept in school.
- A coat and appropriate footwear to wear all day (eg trainers) as children will not need an extra pair of indoor shoes.
- A hat and sun cream which is labelled with the child's name.
- A moisturiser in a named container if children are suffering with sore hands because of increased washing.
- Any medication should be prescribed and therefore have the child's name on. This should be handed to the class teacher on arrival.
- A packed lunch with the child's name on. This can include a snack for break time.
- A named water bottle.

We will not be sending home reading books each day to minimize the number of books coming backwards and forwards. However, we will plan opportunities for book swaps which we have done in the past.

As I am sure you will appreciate, guidance from the Government is constantly changing so we will review our provision regularly to ensure that we are minimizing risk as much as possible. If you have any questions or concerns then please don't hesitate to get in touch. The school office will not be in operation. Janet and Lucy will still be able to communicate via email. If you need to speak to me then can I ask that you call Fountains on **01765 620631** where either Joanne or myself will be able to take your call.

Kindest regards,

Pam Acheson
