

Coming back to school

There are new signs outside school and black lines on the path to remind everyone to line up 2m apart so that I stay safe and healthy.

I will go into school using the front door. At the door I need to say goodbye to the adult that has come with me. They will not be allowed to come into school with me because school isn't big enough for all the adults to stay 2m apart.

The first thing I need to do is use the hand sanitiser to make sure that I have clean hands before I touch anything in school. Then I can hang my coat on my peg. I won't be bringing my indoor shoes to school at the moment.

The classroom looks a little bit different. I will be sat on a table with a friend. All the tables will be facing forward. I will be given my own pot of resources which will include my pen, pencils, ruler and rubber.

Any reading books that I have finished or work that I want Mrs Hickingbotham to look at need to go in the 'Drop off box' that will be on the step under the smart board.

Some things look the same but are in a different place because Mrs Hickingbotham needed to move them so that there was enough room for me to have my own desk.

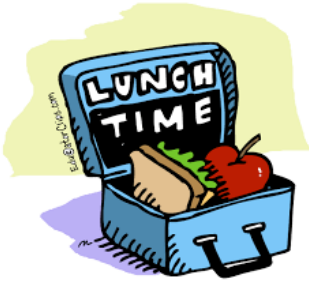

Instead of the toilets being one for girls and one for boys they are now one for Class 1 and one for Class 2. The toilets that I need to use are the ones on the right which were the boy's toilets.

I can look at the timetable at the back of the classroom to see what we will be doing today, just like before.

I will have break times with all the friends in my class.

I will have lunch time, just like before but everyone, will be having either a packed lunch or school dinner and we will all be eating in the classroom.

Looking forward to seeing you on Tuesday.
Mrs Hickingbotham
