

# Make a World Book Day Book

You are going to make a book about World Book Day. You should include a front cover and contents page. Ideas for each page could include: All About World Book Day; How World Book Day Is Celebrated; My Favourite Book; My Favourite Author; Books I Didn't Enjoy and Why.

1. Take a piece of A4 paper.	2. Fold it in half.	3. Fold it in half again.
		
4. Fold it in half a third time.	5. Open out the piece of paper and cut halfway across from the middle of the long edge.	6. From the centre, cut halfway across to the short edges to make a T cut.
		
7. Fold in half again.	8. Fold the top back in half.	9. Turn the paper over.
		
10. Fold the other piece back in half.	11. This will make an M (or W).	12. To fold into the book, stand the paper on the end with the cut part uppermost.
		

<p>13. Allow the top parts to drop down, one each side.</p>	<p>14. Press the folds to make the inside of the book. (There are 2 single flaps and 3 inside pages. The single flaps will tuck into the cover.)</p>	<p>15. To make the cover, fold a few centimetres of paper lengthways.</p>
		
<p>16. Fold the top down to the first fold, leaving about a finger width space between the folds.</p>	<p>17. The finger width space enables the single flaps of the book to tuck into the cover.</p>	<p>18. Fold the cover nearly in half, leaving a finger width at the end to create the spine of the cover.</p>
		
<p>19. Repeat the fold in half with the finger width space.</p>	<p>20. You now have the spine.</p>	<p>21. Fold the cover to a finger width space before the spine.</p>
		
<p>22. Repeat for the other side.</p>	<p>23. Tuck the flap into the side of the cover and repeat on the other side.</p>	<p>24. Now write the book!</p>
