School Council

The elections for School Council 2018-19 took place this week. The new members are: Thomas Hallam (lead ambassador), Jack Stelling, Beatrice Harrison, Harvey Brimelow, Molly Hall and Ruby Porteous.

Forest School

This week at Forest School the children continued exploring the natural environment. We had some great teepee dens created using teamwork skills. The children have begun to light their own mini fires using wood collected from their wood pile. They used peelers to whittle their toasting stick.

If you have any free time on Monday afternoons and would like to help with Forest School then please let us know. We really appreciate your help and you can join in too!

The children love to dig in the mud so if you have any old pots, pans, metal tea pots, wooden spoons, utensils or other mud kitchen items you would like to donate then please bring them in. Also donations of plastic pipe, drain pipe, crates or cable reels would be greatly received. Thank you in advance for your support.

Stone Age Workshop

On Tuesday 25th September, Class 3 and 4 will spend the full day immersed in a Stone Age workshop. The day will support their current history work, and they'll be completing a range of exciting and engaging activities in school.
