What's on?

Tennis Academy uses the highest quality coaches to deliver a programme specifically designed to aid the development of young athletes. Our coaches help to develop each player's technical skill, tactical understanding and physical capabilities.

At **Survival academy**, young survivors are grouped into tribes to take part in team-based survival challenges. Children take part in new activities and team tasks ranging from construction and assault courses to scavenger hunts and wilderness cookery!

To join the adventure and secure a place, contact our admissions team today.
